

5TH CLASS WORK PACK #4

Week beginning: Monday 27th April, 2020

Hello to all of you,

We hope the past week has gone ok or even, well, for you all? If not, chin up. Leave it behind you and look forward - we're a week closer to the end of this crazy time! Until then, we will continue as best we can. We have left the format much the same so that you might be able to get your head around it a bit more. We are grateful for the feedback we have received and well done on all the effort being made by you as students but also to you as parents. We really appreciate it.

We sincerely hope that you are not stressing yourselves about this work. Remember, any effort is progress and achievement. Do as much as you are able for. We know how hard it is to be strict with yourself but we also know, from experience, that routine is key! My routine went off track over Easter and it was hard to get going again last week but as the week went on, it got easier. Be patient with yourselves. If you have a bad day, leave it in the past, forget about it and start afresh the next day. Also, if you hit a problem with any of the work, let us know, before it frustrates you. We will do our best to help solve it. michelleaine96@gmail.com. If you feel like simply writing us a general email to let us know how you are, we'd love to hear from you. We do miss chatting with you all! Keep the feedback of any work coming too. We love to see it.

Below is the work for the coming week. We will leave login details up in case you still require them. Best wishes, Ms. O'Callaghan & Ms. Flynn.

★ [For access to English & Gaeilge \(Starlight & Abair Liom\).](#)

- ★ Go to www.folensonline.ie
- ★ Click on **Register**
- ★ Click on **Teacher** - then it will allow you to register
- ★ Set up an account with your email and username. - Use **Prim20** as the roll number

Once you have an account set up, you can access Starlight/Abair Liom--the posters, reader and ebook which can allow you to do activities/questions/grammar. The folensonline site is an interactive one, you can click on interactive posters, games, activities, and see the ebook which will let your child flick through the pages of their starlight reader, on the computer/device.

If you are having technical difficulties and a message about 'maintenance' appears on your folens page, press 'Ctrl with F5' and this will clear it for you. Folens have said they are available to provide help also. Folens: 01 4137200

❖ To access Busy at Maths, please do the following:

Copy and paste the following link and it will give you full access to all their free resources

- ❖ <https://www.cjfallon.ie/quick-links/>
- ❖ Scroll down to the bottom left hand corner and click on Parent/Student Resources in the blue and yellow box.
- ❖ Click on 'Student Resources'
- ❖ Choose Primary - 5th Class - Busy at Maths - Online
- ❖ Register your details and then you have full access.

★ When you have the above set up, please continue to the prescribed work below.

If possible we would hope to see the work which is highlighted in yellow, returned to us for correction/assessment. **PLEASE** remember to **include the book name/title/page/question** on your work so that we know exactly the exercise you have completed. This makes corrections easier. Lastly, **PLEASE** email your work **daily** as this avoids a large amount of correcting in bulk and means we are less under pressure and can get your work back to you more swiftly. Thank you.

English:

- ❑ Go to your folenonline account (as per instructions above)
- ❑ On the Homepage, search for Starlight 5th. Under the picture for Starlight 5th Class, click on the Resources
- ❑ Under 'Unit' - choose Unit 13 'Under the Sea'
- ❑ We suggest doing the below items in order so that time is given to oral language and discussion before any written work is attempted.

Oral Language:

- ❑ Open 'Poster 13 Under the Sea' and work through 'Let's Talk' - great opportunity for discussion here. Remind pupils of the Envio Kids workshop that they took part in in school and ask if they can remember anything that links with this area.
- ❑ Poetry: The Sea by James Reeves. Listen together. Afterwards discuss the imagery that we are given in the poem. Discuss the adjectives/describing words and phrases used and why. 'The sea is a hungry dog' 'With his clashing teeth and shaggy jaws'..
- ❑ Nice opportunity to link this imagery with some painting also. We'd love to see that.

Reading and Comprehension:

- ❑ On the Homepage, search for Starlight 5th. Under the picture for Starlight 5th Class, click on the Resources
- ❑ Under 'Unit' - choose Unit 13 'Under the Sea'
- ❑ At the top right hand corner click on the green box saying 'Combined Reader'. This will bring you to an ebook version of the class Starlight Book.
- ❑ At the bottom type in Page 152 to bring you to the text 'What is a Submarine?'. Read Pages 152-154. Discuss what you've read. Talk about the most interesting fact you've read.
- ❑ Do some extra research and reading on your own about submarines. Here's a good link to get you started on Kids National Geographic: <https://www.youtube.com/watch?v=Jo6rcffwQLc>
- ❑ On Page 155 answer the following:
 - ❑ A - Comprehension Fact Finding: Questions 1 - 5 and also do the challenge question
 - ❑ B - Comprehension Read Between the Lines: Questions 1 - 5 and the challenge question.

Vocabulary:

- ❑ Using the ebook (as per instruction above) use your dictionary (online or otherwise) to complete the following:
- ❑ Ebook Page 155 and 156; Questions C and D

Grammar:

- IXL English: D.1- D.9 - Revising Verbs
- IXL English: B.1 - B.3 - Revising Nouns
- IXL English: J.1 - Words with pre- (spelling revision)

❖ For anyone who would like an extra challenge try the following ..

Writing Genre: Explanatory Text:

- ❖ Access your ebook on Page 157. Focus on Part G; Writing an Explanation. Remember the two texts we've read from last week and this week are perfect examples of how to write an explanation so follow their layout and try use the features they have used:
- ❖ Title/ Introduction/ Explain your points in a clear order with clear paragraphs and subheadings/ Summary.
- ❖ We look forward to reading what you've discovered.

Chill out time with a book or listening to a book:

Additionally please remember the importance of your own personal reading time. Pick up a favourite novel and read it again.

If you have a library card, you can avail of their free online eAudiobooks and eBooks on www.librariesireland.ie

Lots of famous authors are reading their stories for free too, have a listen to David Williams here
<https://www.worldofdavidwilliams.com/elevenses/>

Listen to an audio book, check out https://stories.audible.com/discovery_for_free_audio_books

Gaeilge:

- Go to your folenonline account (as per instructions above)
- On the Homepage, search for Abair Liom 5th Class. Under the picture for Abair Liom 5th Class, click on the Resources
- Teanga ó Bhéal (oral language):**
- https://content.folenonline.ie/programmes/AbairLiom/5th_class/resources/poem/AL_5C_ACT_CH17_006/index.htm
| Éist leis an dán..”Liathróid i bPáirc an Chrócaigh”.
-

- Seanfhocail nua: ” Abair é. Scríobh é ar an ‘post-it’ sa chistin!

NÍL AON TINTEÁN MAR DO

THINTEÁN FÉIN.

Gramadach:

- **Cluiche:** <https://seideansi.ie/rang3/ainmfhocal-briathar/ag-snamh-le-briathra/>

Scíbhneoireacht: Cuir na briathara isteach san abairtí [Put the verbs into sentences]: Any or all of them - up to you!

Phioc; Nigh; Chonaic; Shiúil; D'fhág; Léim; D'iarr; Sheas; Chuidigh; Las; D'inis; Bhailigh.

- **Duolingo:** Login if you already have an account from previous weeks. Do 5-10 mins practise. If you do not have an account here, please let us know.

❑ **Maths: Weight**

- ❑ Go to the fallons online resources using the link <https://www.cjfallon.ie/quick-links/> (as per instructions above)
- ❑ Choose 5th Class Busy at Maths
- ❑ Enter Page 135 at the top to bring you to 'Chapter 25 - Weight'
- ❑ We chose this topic again as it is very hands on and you can look and find items with different weights at home and can compare size with the weight that something measures. Plenty of opportunity to take out the weighing scales and look at a recipe this week. Send us a photo of what you measured and made! Again, enjoy the topic without getting too hung up on the book work.
- ❑ Make use also of the bathroom scales or maybe a luggage spring balance that some people might have.
- ❑ After you spend time weighing and comparing you can turn to the written application of the topic.
- ❑ On Page 135, you can talk about the weight of items in Question 1 and the weighing tools they show. **Complete a-j and the Maths Fact.**
- ❑ **On Page 136, pupils need to remember what they have already learned about their place value and decimal places for tenths/hundredths and thousandths. They can attempt all of Page 136. Look carefully at the example given for each question before attempting the questions on your own.**
- ❑ **On Page 137, we focus on using all four operations with weight. PLEASE take care with simple adding, subtracting and tables here!!! Answer Q1-5, Parts a,b,c here. If you want to complete the entire page that's up to you!**
- ❑ **On Page 138 we focus on problem solving with weight.** Remember your problem solving strategies: underline the important words in the question/ use a diagram if helpful/ have a go/ word backwards if it helps/ use concrete material if it helps. **Work through as many as you can today.**
- ❑ **On Page 139 complete questions 1, 2 and the Maths Fact.**
- IXL Maths: Division - Start at C.1. and continue at your own pace through the questions
- Daily Ten : <https://www.topmarks.co.uk/maths-games/daily10> - focus on, Level 5, Multiplication (tables practice)
 - ❖ **For anyone who would like an extra challenge complete Page 140 of Busy At Maths.**

SPHE/Wellbeing: “STAYING POSITIVE”...it’s not always easy! We need to train our brains!

- Try making a “Things to look forward to Jar”. The whole family can do this to cheer you all up when things go back to normal!

Wellbeing Craft - Things to Look Forward To Jar

Use these craft instructions to create your own wellbeing jar. Having things to look forward to can make you feel happier and improve your wellbeing. Each time you think of something you would like to do in the future, write it on a piece of paper and place it inside your decorated jar.

You will need:

- glass or plastic jar
- sticky label or strip of paper
- scissors
- tissue paper or coloured paper
- paintbrush
- pencil
- white glue
- paper to record the things you are looking forward to

Instructions

1 Cut shapes out of the colourful paper or tissue paper.

4 Write a label for your jar. You could write 'Things to Look Forward To'.

2 Use the paintbrush to put some glue onto the jar.

5 You can use white glue to paint over the top of the shapes on your jar and the label. This will give it a nice, shiny effect.

3 Stick the paper shapes carefully onto the jar.

6 Once dry, your jar is ready to use. Write things that you are looking forward to on pieces of paper and place them into your decorated jar.

- Try this link and have a listen.

<https://biglifejournal.com/blogs/podcast/episode-24>

Making Negative Thoughts into Positive Thoughts

Often, we think negatively about a situation or an event that has happened or is about to happen. When we think negatively, we are likely to carry on thinking negatively, which helps to make the thought more powerful. When this happens, it is really difficult to find positive thoughts. This can lead to a one-sided view of a situation or event which is often not a true judgement.

Please complete the table below so you can see how you can change negative thoughts into positive thoughts.

Negative Thoughts	Positive Thoughts
My friends don't like me anymore because I can't go to the party on Saturday night.	
I am not good at maths because I only got 16 out of 20 correct in my test.	
I don't want to move house as I won't make any new friends and I will be lonely.	
My new school won't be as good as my current school.	

Making Negative Thoughts into Positive Thoughts

Now you have completed those examples, complete the table below with your own negative and positive thoughts.

Think what positives you can see from the situation and how you can think more positively.

The more positives you can find, the more positive you will think, as the negative thoughts will be reduced and the situation will appear more balanced.

Negative Thoughts	Positive Thoughts

SESE:

This week we will focus on Science. The topic is Environmental Awareness & Care. Last Wednesday 22nd Apr was Earth Day. Look up <https://www.earthday.org/> and see what you can find out about our actions and impact on the world.

- ❖ **If you have time, write a piece about your thoughts on the Earth, its importance to us and our importance to the Earth OR**
- ❖ **You could identify and write about a local, national or global environmental issue.**
- ❖ **We are including some creative ideas based on the theme of recycling.**

16 Things to Make and Do With Your Recycling

Raid your recycling bin and try some of these fun activities. All of these ideas are family-friendly - as always, supervise where needed, make sure items have been washed if necessary, and be careful of sharp edges on tin cans and foil trays.

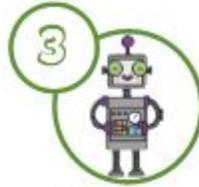

1

Pop
Bottle Rocket

2

Tin Can
Flower Pots

3

Scrapheap
Challenge

4

Kitchen Roll
Bird Feeder

5

Cardboard Box
Net Exploration

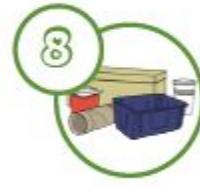

6

Cereal Box
Magazine
Holder

7

Kitchen Roll
Seedling Starter

8

Recycling
Materials
Sorting

9

Plastic Tray
Floating
and Sinking

10

Foil Sculptures

11

Recycled
Sensory Bottles

12

Squirty Bottle
Water Fight

13

Old Magazine

14

Recycled Materials

15

Cress Head

16

Recycling

16 Things to Make and Do With Your Recycling

1

Make a rocket from an empty 2 litre pop bottle. There are lots of demonstration videos online.

2

Soak off the labels from tin cans and carefully knock a few holes into the base using a hammer and nail. Fill with compost and use to plant herbs to keep on the kitchen windowsill.

3

Set a 'scrapheap challenge'. Provide the kids with a selection of objects from the recycling, plus glue, sticky tape, scissors and so on, and challenge them to make a robot, car, castle or boat.

4

Turn an empty kitchen roll tube into a bird feeder. Click [here](#) for instructions.

5

Carefully pull apart the seams of an empty cardboard box and make the flat 'net' of the shape. A great exploratory maths activity for children. You can then reassemble the box inside out - the plain cardboard interior makes a much better surface for drawing or painting.

Use kitchen roll tubes as planters for starting seeds. Place the tubes upright in a seed tray and fill with compost, before adding seeds of your choice. Water it and put it in a warm place to germinate. Once the plants have started to grow, the tubes can be planted directly into the ground. This is ideal for plants like peas that don't like to have their roots disturbed.

Try investigating some materials. Sort the items in your recycling according to what material they are made of. Discuss the properties of each material and why you think it has been used. Have a look at '[Recycling Sorting Activity Sheet](#)'.

Use plastic and polystyrene trays such as those used to pack meat and fruit to investigate floating and sinking with pre-schoolers. Load up the trays with bricks and see how long before they sink. Or talk about what makes something float (e.g. it is light, waterproof, no holes in it and so on)

Sculpt with leftover foil. Fold a sheet of foil into a long thin strip, and then bend and curl it to make different designs. A simple idea is to wind it round the handle of a wooden spoon to make a curly icicle. Or try to make a human or animal figure.

Make sensory bottles for babies and young children, using empty plastic drinks bottles. Look at the Twinkl website '[Sensory Play](#)' section for some ideas.

Have a water fight on a sunny day. Fill up plastic bottles with water and simply squirt the water at your opponent!

12

13

Make a Christmas tree out of an old magazine. Click [here](#) to find out how.

14

Turn bottles, pots and cans into fun musical instruments, by filling them with different materials and exploring the sounds they make. Try rice, dried pasta or beans, plastic bricks, sand and paper clips.

15

Make a 'cress head' with a small empty pot. Glue white paper around the pot and draw on a funny face. Fill the pot with cotton wool and dampen with water. Sprinkle cress seeds on top and put in a light place. Keep the cotton wool moist and see what happens.

16

Make a sign to remind your family what they should and shouldn't be putting in the recycling - stick it somewhere where everyone will see.

Again, we say, **do not be overwhelmed by the work**. Do a bit each day over the week. Make out a weekly timetable for yourself, spending as much time as **you are able to** on each subject. Communicate with us! Even just to let us know how you are keeping lately.

As we have said before, give your days routine. This is important.

This is a **suggested** outline for anyone who needs it.

1. **Physical activity (outdoors if possible) 20-30 mins and/or <https://youtu.be/Rz0go1pTda8> every morning at 9:00.**

2. **Gaeilge: www.duolingo.com / www.seideansi.ie ; Bookwork as detailed above.**

3. **Maths: Daily Ten & IXL Maths practise; Bookwork as detailed above.**

4. **English: IXL English; Bookwork as detailed above.**

5. **SESE:** Geog or history or science as detailed above.

Other options:

6. **SPHE/Wellbeing:** As detailed above.

7.. **Finish your day with a chill out/breathing/prayer space: sit quietly outside, listening to the sounds; say a prayer (of thanks or for someone you know) or use www.headspace.com .**

Please remember to keep in touch. If you put the effort in, we would love to see it and feedback to you. Well done on what you have done so far.

Keep up the good work. Keep busy but also take time to chill out and relax.

Enjoy not having to be anywhere at any certain time! You are part of history that will be talked about for a long time to come!

We are attaching the activities listed from the last workpack in case they are still of interest to you.

Some of the activities below have a link to click on for more information. Others link to a website with further instruction.

BODY AND MIND

HIIT Homework

Stick on your favourite upbeat playlist and try out these exercises one after the other. To give yourself a bigger challenge, do each circuit twice or three times or more!

SESSION 1 - 5 x 25	SESSION 2 - LEGS MOVING	SESSION 3 - UP AND DOWN
<ol style="list-style-type: none">1. 25 jumping jacks2. 25 squats3. 25 seconds run on the spot4. 25 push ups5. 25 seconds plank	<ol style="list-style-type: none">1. 30 seconds run on the spot2. 30 seconds high knees3. 30 seconds jumping jacks4. 30 seconds butt kicks5. 30 seconds jog on the spot	<ol style="list-style-type: none">1. 30 seconds jumping jacks2. 30 seconds mountain climbers3. 30 seconds run on the spot4. 30 seconds plank5. 30 seconds burpees!

OR

Have a family disco - stick on your favourite tunes and bop around the room for 20 minutes!

PE with Joe Wicks - The Body Coach. See YouTube Link.

GET OUTSIDE

Try out as many of these exercises outside (keeping social distance!) that you can and tell your teacher which ones you've done.

<ul style="list-style-type: none">● Cycle your bike for 10 minutes● Go for a walk● Ride your scooter for 10 minutes● Draw your own hopscotch with chalk and play● Throw a ball against a wall and catch	<ul style="list-style-type: none">● Jump on your trampoline● Walk your dog● Bubble bashing - get someone to blow bubbles for you to try and burst all of them● Do 3 laps of your house or up and down the hall 10 times
---	--

- | | |
|--|--|
| <ul style="list-style-type: none">● Create your own obstacle course● Run for 5 minutes● 10 minutes of free play outside. | <ul style="list-style-type: none">● Keepie uppies - how many can you do in a row?● Skip sideways up and down the garden 5 times |
|--|--|

SKYPE WITH A RELATIVE

This can be a nice idea if you have a family member who may have to self-isolate or who you may not be able to visit. It's a way for children to use oral language and it might be a nice kind of game to play to keep boredom away.

Ideas include:

1. Play 20 questions - take turns in thinking of an object and the other person can only ask questions which have a yes or no answer.
2. A-Z - Pick a topic and take turns in naming something beginning with A then B then C and see if you can get to Z Without skipping any letters.
3. The Big Interview - child prepares 10 questions they'd like to know about the relative and then asks them
4. More ideas here: <https://www.fluentu.com/blog/educator-english/esl-vocabulary-games/>

IRISH TIMES

Even if you don't often speak Irish, there are some great ways to pick up some vocabulary. One really easy activity is to pick a topic, for example: food, household objects, colours, and so on, then write down 20 words associated with that topic in a list. Next go to <https://www.focloir.ie/en/> and translate the words. The great thing is that almost every word on the website has an audio recording of it so you can listen to how to pronounce the words! As a family, you could try and learn a few words every day!

For more advanced speakers, how about doing any of the tasks in the grid through Irish? The news is probably the easiest one to do as Gaeilge.

Another idea is to sign up to <https://www.duolingo.com/> to continue learning Irish - 5 to 10 minutes a day and who knows how fluent you'll be when you get back! Déan do dhícheall!

Enjoyable games to strengthen your Gaeilge skills on <https://www.seideansi.ie/rang-a-tri-se.php>.
On the main page if asked to 'Roghnaigh do canúint' Roghnaigh.. "**An Mhumhain.**"

Keep the Irish singing alive and listen to some of your favourite songs on Lurgan TV <https://www.youtube.com/user/tglurgan>.

You could even sing along to *Bóthar Sean Bhaile* again! Or dance to it ;-)

If you just want to sit back and listen to the language being spoken 'Mo Shaol, Do Shaol' on Cúla4

<https://cula4.com/en/shows/mo-shaol-do-shaol/> is really good. There are other cartoons and programmes on Cúla4 also.

Throw in a few 'focail as gaeilge' as you're chatting at home. If asking for a basic item at the dinner table why not say it 'as gaeilge'.

Remember. **"Tír gan teanga, tír gan anam!"** Let's keep our language alive as much as we can.

THE DAILY NEWS

This task can be done with any age. Child writes/types their news as well as news happening outside the world.

- You can create your own little newsroom on the kitchen table or you can use Green Screen apps on an iPad and record your child reading their news.
- You can send it to loved ones to keep in touch & cheer them up. Don't forget to include funny/good news!

READ A BOOK WITH A PARENT

Spend ten minutes reading for no other reason than the joy of reading a book. Of course, there are loads of benefits to reading every day but what a nice time to drop everything for a short time. Remember there are lots of audio books available online also.

www.worldofdavidwalliams.com

<https://stories.audible.com/start-listen>

FAMILY TREE

Make your family tree with your child. You can do this digitally or by hand and you can go back as far as you want!

BIGGER PROJECTS

These instructions are for these projects:

- The History of my Family An extension of the Family Tree Project - tell us about your family
- Peace What does peace mean to you? How will we get there?
- Who is your favourite artist? Tell us something about your favourite artist - A singer? A painter? A poet?

PUPPET SHOW

Making a puppet show can be a fun way to spend some time and there's lots of different ways to do it now.

1. Make a sock puppet - https://www.youtube.com/watch?v=e-mfUBQE3_s
2. Make finger puppets - https://www.youtube.com/watch?v=6eq370x_lvo
3. Make an online Puppet Show - Puppet Pals App

The main thing is to write the scripts and record them! If you have a puppet show stage, great; if not, use a table to hide underneath!

30 DAY LEGO PROJECT <https://mk0freehomescho2g81n.kinstacdn.com/wp-content/uploads/2016/01/LEGO30DAYCHALLENGE.PDF>

30 Day LEGO Challenge						
Follow the instructions for each day. The only rule is to have fun and use your imagination!						
Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
You were hired by an amusement park to create a new roller coaster.	NASA needs you to build a new rocket.	Your parents want to build a new home and they want you to build it.	Hollywood hires you to build a movie set for a new Star Wars movie.	You enter a contest to build the world's tallest tower. Will you win?	You are stuck on Mars and need to build a new ship to get home.	Ford hires you to create the toughest pick up truck in the world.
Day 8	Day 9	Day 10	Day 11	Day 12	Day 13	Day 14
You and 4 friends are stranded on an island. Build a boat to find a way home.	Captain Hook needs a new pirate ship and wants you to build it.	You and your friends decide to build a tree house.	Prince Charming hires you to build a castle for him & Cinderella.	Dr. Who hires you to build a new TARDIS.	You are asked by the President to build a new monument to George Washington.	Mr. Hilton hires you to build a new hotel.
Day 15	Day 16	Day 17	Day 18	Day 19	Day 20	Day 21
There is a circus in town. Build a place for the performance.	Help your fellow pioneers build a wagon to make it across the country.	Build the fastest car around and join the big car race.	Do you wanna build a snowman? Get in the winter mood and build a snow scene.	The city wants you to build a bridge to connect one side of the town to the other.	Pizza party! It is up to you to make a pizza for all the guests.	You are hired to build a brand new hospital.
Day 22	Day 23	Day 24	Day 25	Day 26	Day 27	Day 28
The fence is broke and the dog keeps escaping. Build one he can't get out of.	You are now in medieval times. You are commissioned to build a jousting arena.	The local bank keeps getting robbed. Build a safe no one can crack.	Design and build your dream bedroom.	You are elected ruler. Build a flag for your land.	Aliens are invading and you need to build a war robot to defeat them.	The aliens have taken over. They are impressed by your robot. They want you build one for them.
Day 29	Day 30			What was your favorite day?		
You are hired to build a house entirely out of yellow Legos.	There is blizzard. You will need to build a snowmobile.					

TYPING CHALLENGE . .

With time on your hands why not try develop a life skill like typing; use this fun programme to get you started:

<https://www.dancemattypingguide.com/>

ART PROJECT IDEAS...

Some nice ideas here to keep you creative. Have a scroll through and find something that is of interest to you on Deep Space Sparkle.

<https://www.deepspacesparkle.com/category/art-lessons/sixth-grade-art-lessons/page/2/>

IXL PRACTISE

Continue to Login to your IXL account and play for 5-10 minutes. Well done to those of you so far who have been practising. Our class has been issued several certificates for the work being done - one cert is for answering 10,000 questions in total. Another for 10 hours of English practise. Super work Folks! Keep it going. Keep up the revision and challenge yourself too.

We are checking into our account to view your progress as often as we can. If you have not practised in a while, please give it a go and keep your minds active!

COOL PATTERNS

Patterns are everywhere - some of them simple like the sequence of a traffic light and some of them are really difficult like the swirls on a snail's shell. Your job is to make a pattern using any medium you want. You could knit a scarf in 2 different colours or you could build a tower using Lego with different patterned levels. You could even write a long sequence of numbers that follow a pattern. Be inventive and try and think of something someone else might not do. Upload your results to your Classroom or show it to your teacher.

DAILY TEN MENTAL MATHS: <https://www.topmarks.co.uk/Maths-Games/Daily10>

MATHS WITH CAROL VORDERMAN: www.themathsfactor.com

Outside of these ideas don't underestimate the importance of time together playing board games, baking and simply talking to each other!

We hope these suggestions help you and your child during these unusual times. Most importantly, stay happy, safe & well.

We will undoubtedly see you all again soon!

Le dea ghúí,

Ms. O'Callaghan & Ms. Flynn.
