

5TH CLASS WORK PACK #5

Week beginning: Tuesday 6ú Bealtaine 2020

Hello to all of you again,

We hope that you are all continuing to keep safe and well. The sunshine is wonderful; let's enjoy it while it's here!

Thank you to all the pupils who are communicating with us; even the smallest piece of work emailed to us or time spent on IXL is great to see and shows that you're trying to do a little bit of learning at home. It was great to see your baking, your painting, your modelling clay, your trampolining skills and your smiling faces in the photos you sent through also. As teachers, we miss our pupils too.

We have been busy ourselves with school work and taking care of our own families. We took a nice walk on the Curragh to see the lovely painted stones that people have been leaving and we left ours too. I believe I spotted some art work from our class there too! #everyproud

As the weeks go on we are starting to miss seeing our friends all the more but as we said to some of you during the week 'If you're missing your friends remember they're missing you just as much'. You have all done so well to stay at home and keep safe to this point so let's stick together and push ahead for as long as we need to.

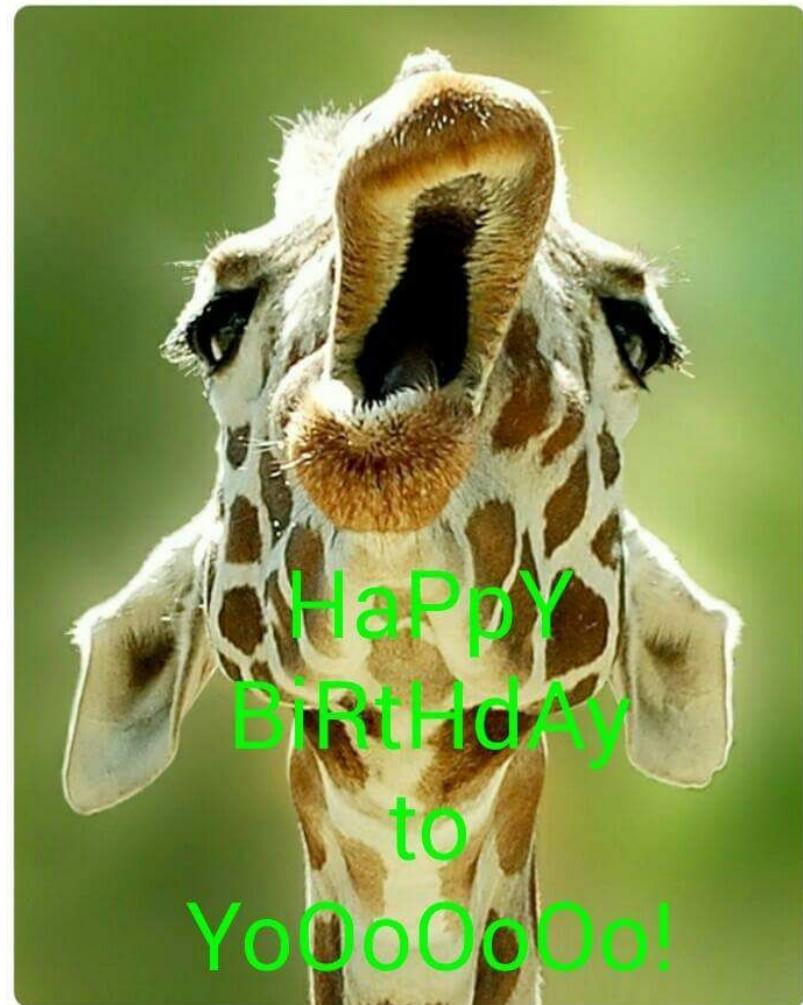

Below is the work for the coming week. We will leave login details up in case you still require them. Best wishes, Ms. O'Callaghan & Ms. Flynn.

[Birthdays!!!](#)

Big birthday wishes to Gary, Ali and Isy who are all turning the big 12 this week! We really hope that you have an extra special day!

Belated (sorry we're so late) birthday wishes to Eoghan
Daniel too!

R.E.

As we're missing our school assemblies together and our time in 'Working Out' in Class we wanted to remind you of the promises God has for us in the Bible that hang on our classroom wall:

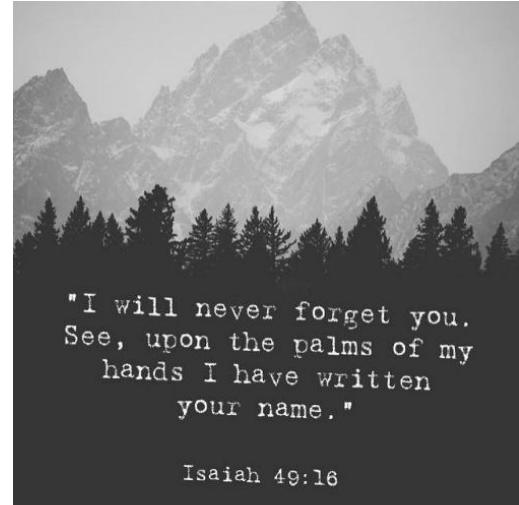

God is still in control in every situation.

He still knows us by name and even knows the very number of hairs upon our heads.

Nothing is impossible for Him.

Here's a song you might like to listen to that says God is like a lighthouse; he can lead us through even the very worst storms.

SPHE/Wellbeing:

- ❖ How did you find the activities last week? Try to keep up the practise of training your brain to see the positive side of things. It takes effort & practise but it's important!
- ❖ This week, have a look at this:

<https://www.otb.ie/wp-content/uploads/2020/04/At-Home-with-Weaving-Well-being-A-Mental-Health-Journal-for-Kids.pdf>

If you can print this it would be great to have. We'd like you to look at the first few pages (up to pg. 4) or choose an activity of choice. If you complete anything in it, send us a picture. We'd love to know how you find it. We would like to include it on a weekly basis but if you feel like working through it in your own time, feel free.

Arts:

Music: Are you enjoying listening to music lately? I am. It gives my head a break from the news and sometimes negative thoughts! I try to listen to songs with uplifting lyrics or just something that's relaxing. We'd love to know what songs you are enjoying lately, particularly ones with positive, uplifting messages. If you want to send us one of your favourites, please do. We could put them together on a playlist.

Here's one of my favourites lately. I've sent it onto some of you already! I enjoy the video - looks like great fun & puts a smile on my face! "KEEP YOUR HEAD UP, KEEP YOUR HEART STRONG"!!

As we have said before, give your days routine. This is important.
