The cost of School Essentials is €70. Over the past five years the school has purchased over €12,000 worth of English Readers to support our Literacy Programme. This does not include the cost of covering the books. We have also invested in a new **Oral**. We are also starting Dabble Doo Music Programme which is an online music programme costing approximately €550 per year and we are purchasing Sounds In Focus for children in 3rd to 6th class at a cost of approximately €1,050.

Please make arrangements with the Principal. As you are aware there has been severe cutbacks in the Capitation Grant and other grants in education so unfortunately the Board of Management have had to make the difficult decision that anybody who has not paid their School Essentials by the above date will not avail of the Book Rental Scheme and will have to purchase their own school books the following year.
